

1

Sign up for the plan that fit your needs.

Go to **summitcontrol.com** and click **Sign Up** or scan the **QR Code** on the back side of this sheet.

Your device, user, and site requirements will determine the right plan for you.

- Residential plans allow for a maximum of 20 users, 3 Ascent units, and a single site.
- Businesses may not sign up for a residential plan.
- Ascent M-Series products require a multi-tenant plan.

2

Fill out the billing and device information sections.

Refer to the **SIM card** attached below and the **IMEI number** found on the modem on your Ascent unit.

3

Submit your information.

Activations submitted **before 3pm CT, Mon-Fri** will be completed the same day.

And that's it... Welcome to Summit Control!
