TWO-DOOR ACCESS CONTROL

We make it easy to control two gates or doors. When you need simplicity, this is it.

POWERFULLY EXPANDABLE

It's a multi-door access control solution that grows. Network multiple units together and manage multiple entries via Summit Control.

OPEN OR CLOSED?

Check the current status of your doors or access points remotely and quickly.

DISCREET AND SECURE

Place this unit in a secure location for an added level of protection, and control and manage everything remotely.
