

WIEGAND EXTENDER

21-002

RANGE EXTENDER FOR WIEGAND DEVICES

FEATURES

- Adds 500 feet of range
- Durable PC-ABS construction
- IP65-rated enclosure
- Easy one-to-one wiring

TOUGH AND DURABLE

A durable PC-ABS sealed-case design allows this unit to be mounted indoors or out.

QUICK-AND-EASY WIRING

Make the connections from your Wiegand device on one side of the circuit board and from your Wiegand controller on the other.

GOES WHERE YOU NEED IT

Mount it to a post, mast arm, wall, or other surface. There's a bracket for that.

EXTEND YOUR RANGE

Wiegand devices have a fairly short range, but with another 500 feet of range, you can make the connections you need.
